

Hi ,

I'm getting in touch to share our latest jobs and FREE upcoming employment events. Feel free to share this information and my contact details with anyone you feel is a good fit for our services. Please encourage them to reach out for support if they need it.

We've put together helpful resources to help students, youth and job seekers find work:

Please let me know if you feel there's opportunity to improve how we work together to support members of the community, or if you're aware of other organizations in the community that I should be connecting with about our services. Thanks in advance.

Best,
