SUPPORT FOR STARTING YOUR CAREER IN THE TRADES

Job Seeker Success Story

VPI WAS ALWAYS ABLE TO ANSWER QUESTIONS THAT I HAD. THEY WERE THERE TO SUPPORT ME IN MY JOB SEARCH AND FOLLOWED UP TO ENSURE THAT I WAS DOING WELL AFTER I HAD FOUND A JOB.

— Andrew, former job seeker

Client:	Andrew
Goal:	Find work in the electrical industry as a first-year apprentice
Challenge:	Getting started
Support offered:	Information about trades Access to network of employers

Andrew's long-term career goal is to become a certified and licensed electrician. He knew that the best way to achieve his goal was to find a job in the trades where he could work as a first-year apprentice. But he was having trouble getting started.

After hearing about VPI from friends, Andrew scheduled an appointment and met with one of our expert Job Placement Specialists. His Job Placement Specialist answered his questions about starting a career in the trades and connected him with a local electrical contractor who was hiring.

Within two weeks of his first appointment with VPI, Andrew was hired as an apprentice with the local electrical contractor and is on his way to achieving his long-term career goals.

For more information on how we can help you with finding work in the trades, attend one of our upcoming Careers in the Trades events or contact us today.
