HELP GAINING CANADIAN WORK EXPERIENCE

Job Seeker Success Story

“THEY GENUINELY WANT TO HELP AND PROVIDE
YOU WITH ALL THE RESOURCES THAT YOU
NEED.

— Shashank, former job seeker

Client: Shashank

Goal: Find work in the field of
Marketing

Challenge: Getting started in a new
country

**Support
Offered:**

- ▶ One-on-one job coaching
- ▶ Job Interviews Workshop
- ▶ Referral for credential assessment

Shashank—a recent newcomer to Canada—was having trouble finding work in his industry. He had proven skills and experience in the field of Marketing. But he was not accustomed to the Canadian job search process. He came to VPI for guidance.

After meeting with our Career Specialist, Shashank was prepared with an action plan. He signed up for the Job Interviews workshop to get a better sense of what to expect when meeting with an employer. And to help him with his foreign-obtained degrees and experience, we referred him for a credentials assessment.

Two weeks after meeting with us, Shashank went for a job interview with the results of his assessment in hand. After a successful interview, he was hired for a position in his chosen industry and is developing valuable experience in the Canadian workforce.
